

Labib Intisar

URBAN & REGIONAL PLANNER · B.URP, RUET

Rangpur · Rajshahi, Bangladesh | labib.intishar@gmail.com | +880 1870-502143

PROFILE

Urban & Regional Planning graduate of Rajshahi University of Engineering & Technology (RUET) focused on sustainable, equitable urban development. Experienced across field survey, geospatial and geostatistical modeling, neighbourhood design, and disaster- and hazard-risk research, with a particular interest in climate resilience and natural-resource management.

EDUCATION

Bachelor of Urban & Regional Planning

Rajshahi University of Engineering & Technology (RUET), Rajshahi

2019 – 2024 · CGPA 3.50 / 4.00

Higher Secondary Certificate (Science)

The Millennium Stars School & College, Rangpur

2018 · GPA 5.00 / 5.00

Secondary School Certificate (Science)

The Millennium Stars School & College, Rangpur

2016 · GPA 5.00 / 5.00

RESEARCH & PUBLICATIONS

Book Chapter (in progress)

Landslide Susceptibility & Risk Assessment in Hilly Regions of Bangladesh: A Geostatistical & Geospatial Modeling Approach for Sustainability.

In *Landslide: Susceptibility, Risk Assessment and Sustainability* – Springer Nature, Geography Series, Switzerland.

Conference & Journal Papers

- A Geospatial Analysis for a Thriving Agricultural Sector at Koyra Upazila, Khulna: Identifying Suitable Rainwater-Harvesting Sites by Integrating SCS-CN. First Author — preprint, Research Square (2025).
- Evaluating the Socio-Economic Condition of Garments' Workers in Rajshahi City. Main Author — 5th Annual Research on Cities Summit (ARCS 5.0).
- An Assessment of Supply-Chain Mechanisms of Pisciculture: A Case Study in Debipur, Durgapur, Rajshahi. Main Author — ICPACE 2023, RUET (12–14 Oct 2023).
- Designing a Residential Neighbourhood for the Middle-Income Group: A Tale of Meherchandi, Rajshahi. Co-Author — ICPACE 2023, RUET.
- In-Depth Analysis of Urban Resident-Satisfaction Level of Mirpur, Dhaka: A Participatory Approach. Co-Author — 1st Int'l Student Research Conference 2020, DURS, University of Dhaka.
- An Application of Landscape Design for Vibrant, Travel-Friendly Commercial Roads: A Case Study of Shaheb Bazar, Rajshahi. Co-Author — ICPACE 2023, RUET.

TECHNICAL SKILLS

GIS & Spatial Analysis. ArcGIS · Geospatial & geostatistical modeling · spatial mapping

Drafting & 3D Visualization. AutoCAD 2D/3D · SketchUp · Lumion (render & animation)

Research & Statistics. IBM SPSS · survey design · Microsoft Excel

Design & Media. Adobe Illustrator, Photoshop, InDesign, Lightroom, Premiere · video editing

CERTIFICATIONS & TRAINING

GIS for Climate Action. Esri (MOOC, 6 weeks) — completed 28 March 2026.

Introduction to the Core Humanitarian Standard on Quality & Accountability (2024). Humanitarian Leadership Academy / CHS Alliance · Groupe URD · Sphere — completed 22 June 2026.

LANGUAGES

Bangla — native. English — reading, writing & listening C2; speaking C1. Hindi — listening C2; speaking A1.

ENGAGEMENT & VOLUNTEERING

Bangladesh Red Crescent Society (BDRCS), Rangpur Unit — volunteer; community service and humanitarian support.
